

SpaceShip Shop

Persona: Franz Ferdinand

Gender	Male
Age	35
Skills	
Interests	Earning Money
Income	Normal Income but quite a bit of reserve he put at side over the years

Franz Ferdinand has worked for several years as a project consultant. But as there is a growing number of project consultants looking for work, Franz Ferdinand decided to leave his old occupation and make a new start in the "People Space Transportation Business". He has actually never left earth and has absolutely no Know How about Travel in Space.

Persona: Admiral Ackbar

Gender	Female
Age	52
Skills	Sees Traps
Interests	Avoiding Traps
Income	BPP (Brutto Planet Product) of two small Solarsystems

Admiral Ackbar has been working for the Rebellion for a long time. His war with the Empire puts his fleet in jeopardy on a daily basis. He often needs new ships or old ships repaired and parts replaced. He is a regular client of the shop and knows his business really well. But he still sees the traps way to late (trap detecting module would be much appreciated).
